Membership For All Program

The heart of the Y's mission is to reach out and serve all people in our communities. Because the Y is community-based and believes that its programs and services should be available to everyone, we offer the "Membership For All" program. This program offers a sliding fee scale that is designed to fit the financial situation of each individual and family in our community.

HOW DO I APPLY?

Complete the "Membership For All" application on the reverse side. Verification of income will need to be provided by submitting a copy of your most recent tax return, the last two pay stubs of everyone in the household, most recent W-2 of everyone in household and personal letter so that the amount of your membership or program fee can be determined. Membership and program fees will be reviewed for eligibility annually.

WHO SEES MY FINANCIAL INFORMATION?

Personal financial information is handled in a confidential manner and will be seen and reviewed only by Y staff. No information is shared with any other agency or organization.
