Key Areas of Impact

ACHIEVEMENT

The Y empowers people of all ages to reach their potential through youth programs, wellness initiatives, and enrichment opportunities. We help individuals grow in confidence and discover what they can achieve. Every success begins with access and the chance to rise.

RELATIONSHIPS

Connection is at the heart of the Y. We create spaces where friendships grow, families strengthen, and communities unite. Through mentorship, fitness, and service, we build relationships that inspire growth, trust, and purpose.

BELONGING

Everyone deserves to feel seen, supported, and included. The Y unites people from all backgrounds to learn, lead, and thrive. With equitable access to programs and resources, we build a community where everyone belongs.

Membership For All

At the Y, we believe everyone deserves the opportunity to learn, grow, and thrive—no matter their background or financial situation. Through our Membership for All program, we offer income-based membership and program rates, ensuring that cost is never a barrier to belonging. Because when we all have access, we all rise—together.

Volunteer Opportunities

The Y is a place to make a difference in your life... It's also a place to make a difference in some else's life. Use your passion to serve a purpose. Corporate groups and individuals are invited to explore volunteering at the Y.

Our Supporters Transform Lives

At the Y, cost is never a barrier to belonging. In 2025, 3,644 donors gave \$1.7 million to ensure access for all—supporting swim lessons, summer camp, child care, career readiness, and more. Together, we opened doors for thousands of neighbors through financial assistance and scholarships. Because when one person rises, we all rise.

EVENTS

Event sponsors gain meaningful visibility, connect with mission driven audiences, and play a direct role in lifting their community. We can create a sponsorship at variety of giving levels with exposure at all or select locations.

Worlds Largest Swim Day:
Free one-day intensive class teaching caregivers and youth techniques to stay safe around water.

Summer Rally Day:
Each May, the Y brings together 700+ staff for a full-day training to ensure youth and families enjoy a safe, fun, and memorable experience at camp and in our pools.

Back to School Drive:
Each year, the Y equips local youth with backpacks and school supplies, supported by donors and sponsors and distributed with the help of volunteers.

BooFest:
Families come together across all our branches for safe, fun fall activities that create joy and community.

Golf Outings: Local businesses and community leaders gather for a day of connection and support for the Y. Sponsor teams play a key role by strengthening our mission and expanding what we can offer across the region.

The Y Marketplace at the Gamble-Nippert YMCA partners with Freestore Foodbank to provide healthy, shelf-stable food and essential resources to neighbors in Westwood and the surrounding community, helping reduce food insecurity in a welcoming, accessible space.

PROGRAMS

Program sponsorships ensure all community members can access program regardless of financial situation.
