Toddler Care, Preschool and Pre-Kindergarten

The Y is very proud of the high quality early childhood education services we offer families. Our preschool is a great place where your child can learn in a safe and nurturing environment to grow socially, emotionally, and physically.

The Highland County YMCA proudly offers two full day preschool and toddler programs at 2 convenient locations. Hillsboro and Wilmington both located on the campus of Southern State Community College. We are licensed by the state of Ohio and are 1 star rated with Step Up to Quality.

Our Curriculum is Creative!

Our Curriculum is Creative! Your children are discovering all kinds of exciting worlds. We carefully design every activity to expand their imaginations and encourage lifelong, positive values. We follow the Creative Curriculum® and focus on kindergarten readiness skills. Teachers implement individualized activities in their lesson plans based on each child’s needs and goals.
