# GROWING STRONGER TOGETHER

## Clippard Family YMCA Early Learning Center

### For Youth Development

Our Licensed Preschool, located on the lower level of the YMCA, offers a well-rounded education centered on the YMCA values of Caring, Honesty, Respect and Responsibility. Activities will be geared toward building creativity, self-esteem, cooperation and independence. Story time and Craft time are integrated with Kindergarten readiness skills.

### For Healthy Living

Our Preschoolers get to take advantage of The full Y experience. Healthy physical activity is a major component of our program. Children will swim in the Water Park, and participate in planned physical activity in the Gymnasium. We also offer ample opportunity for outdoor play.

### For Social Responsibility

No one can match the opportunity offered by the Clippard Family YMCA Preschool Learning Center. The Character Values of Caring, Honesty, Respect and Responsibility are the foundation of our program.

**Hamilton County Vouchers are accepted as payment.**
